PROPERTY SUMMARY

23 Boxgrove Avenue is an attractive detached family house situated in a very convenient and highly regarded residential road, within walking distance of many schools and Stoke Park. The house sits on a lovely corner plot of 0.22 acres which backs south west and there is ample space for extension, subject to planning. On the first floor there are four bedrooms and a bathroom with separate WC. On the ground floor a fine reception hall with cloakroom provides access to the sitting room and dining room which are interlinked, and the kitchen, which opens into a breakfast room, overlooking the rear garden. The double garage has been used as a gym and playroom. There is great scope for extension, subject to planning, and the owners have drawings and plans as to how the floor plans and elevations may look, which are available, although planning permission has not been sought. The garden is a real feature and provides a lovely sunny setting, and being a corner plot, it therefore provides plenty of space for extending the house.
